ABOUT CASPER

Casper (casper.ca) is a global sleep company improving the way the world sleeps. The company has a full portfolio of obsessively engineered sleep products—including mattresses, pillows, bedding, and furniture—all developed in-house by the company's award-winning R&D team at Casper Labs. In addition to its global ecommerce business, Casper owns and operates more than 50 Sleep Shops across North America, and its products are available at top Canadian retailers Hudson's Bay, Indigo, and EQ3.

CASPER MATTRESSES

THE CASPER MATTRESS

- Casper's original award-winning, universally-comfortable mattress loved by more than a million happy sleepers.
- Continuously improved by a team of engineers, featuring Zoned Support™ — an innovative foam framework that contours specifically to each area of the body for incredible comfort, ideal anatomical support, and focused spinal alignment.
- Four supportive layers of high-density memory foam provide balanced support.
- Hundreds of thousands of 5-star reviews.
- *TIME* 'Invention of the Year', *Fast Company* 'Innovation by Design' winner.

THE CASPER WAVE

- Casper's most luxurious mattress, designed for deep, restorative sleep.
- The Casper Wave addresses two of the most common issues of troubled sleepers—discomfort and overheating.
- Includes five layers of premium, ultra-breathable foams, an advanced ergonomic sleep system that helps align your spine and supports your body, and a humidity-fighting wool cover.
- Pressure-relieving, contoured foam and supportive gel pods work together to form to your natural shape.

THE CASPER ESSENTIAL

- Casper's streamlined mattress — Casper-quality comfort at an unbeatable price.
- Simple three-layer sleep surface designed with value in mind.
- A durable knit cover built to last year after year and move after move.

THE CASPER HYBRID

- The original, award-winning Casper, upgraded with resilient springs for luxurious comfort and support.
- Pairs four layers of premium foam with durable-yet-gentle springs, designed to elevate and cradle your body.
- Zoned Support™ contours to the hips and shoulders for spinal alignment and pressure relief.

THE WAVE HYBRID

- Casper's most advanced sleep innovation based on intensive R&D and testing.
- Five layers of ergonomic foam work together with gel inserts and hundreds of individual, pocket-coil springs for deep, restorative sleep.
- Designed to help you sleep cool with breathable foam, airflow friendly coils, and a humidity-fighting, moisture-wicking wool cover.
- End-to-end springs with a firm foam perimeter provide enhanced edge support.

All Casper mattresses are designed to sleep cool with breathable open-cell foam. All are available in six standard sizes, and backed by a 10-year warranty.

CASPER PILLOWS

PILLOW

- Casper's pillow-in-a-pillow was designed for all-night comfort, for every sleep position.
- With just the right balance of squish and support, the inner pillow is supportive, while the outer pillow adds a soft comfort.
- Fine, silky fibers allow the pillow to keep its perfect shape, finished with breathable percale cotton to sleep cool all night long.

DOWN PILLOW

- The Casper Down Pillow is fluffy yet supportive for luxurious comfort.
- Constructed with a unique 5-chamber design — the outer chambers offer light, airy comfort while the inner chambers provide responsive neck support.
- The Down Pillow creates a luxurious, huggable feel that molds and adapts to any sleep position night after night.

FOAM PILLOW

- The Casper Foam pillow offers contoured support with a uniquely squishable feel that hugs you back.
- Constructed with three layers of premium foam — the supportive inner layer helps align your neck while plush outer layers offer blissful comfort.
- The Foam Pillow helps keep you cool with an extra breathable knit cover and tiny channels that circulate air out and away, preventing you from overheating.

NAP PILLOW

- A tiny version of the original, award-winning Casper pillow so you can take the comfort of Casper anywhere you go.
- The Casper Pillow incorporates the same pillow-in-a-pillow design, with a supportive inner layer and fluffy outer layer.
- Made with fine, silky microfibers and finished with breathable percale cotton.

CASPER BEDDING

COOL SUPIMA SHEETS

- Casper's Cool Supima sheets are smooth, airy, and get softer with every wash.
- Constructed with the longest, finest threads on earth — pure Supima cotton grown in California.
- The supremely breathable percale weave sleeps cool all night long.

SATEEN SHEETS

- Casper's Sateen Sheets are its softest sheets yet with a luxuriously smooth feel.
- Made with 100% organic cotton, the sheets are naturally wrinkle-resistant and get softer with each wash.

WEIGHTLESS COTTON SHEETS

- Casper Weightless Cotton Sheets provide lightweight comfort at an approachable price.
- Constructed with 100% superfine long-staple cotton and a hybrid twill weave, the sheets are naturally wrinkle-resistant.
- Available in five calming colors — White, Quiet Gray, Pink, Marine blue and Mint green.

DOWN DUVET

- Casper's down duvet is inspired by performance outerwear to provide all-season comfort.
- Breathable 100% cotton shell is incredibly light so you'll never feel weighed down.
- Filled with duck down, nature's best temperature regulator, for unmatched warmth-to-weight ratio.
- Sewn-through seams create small, rectangular chambers that provide consistent fill distribution.

HUMIDITY FIGHTING DUVET

- Casper's Humidity Fighting Duvet provides unmatched comfort while actively fighting humidity to keep you dry and cool all night long.
- Constructed with a unique combination of fluffy down, lightweight cotton and a layer of Merino Wool, which absorbs moisture and naturally regulates temperature.
- Designed with the same small, rectangular chamber construction as Casper's original down duvet for consistent fill distribution.

WEIGHTED BLANKET

- The Casper Weighted Blanket hugs your body with a cozy, calming feel.
- Designed to promote relaxation, the weighted blanket can help reduce stress and anxiety.
- Durable, quilted chambers keep the blanket's microbead fill evenly distributed while a breathable cotton cover keeps you comfortably cool.

AIRY LINEN QUILT

- Casper's Airy Linen Quilt is soft, smooth, and lightweight.
- Designed with a unique combination of breathable, garment-grade Belgian flax linen for the outer shell and an inner filling of Merino Wool — a natural temperature regulator.
- Perfect for year-round use, whether you need an extra layering piece for the winter months or a light cover for the warm summer season.
- Available in Sage green and Coal gray.

MATTRESS TOPPER

- The Casper Mattress Topper brings award-winning Casper comfort to any mattress.
- Simple three-layer sleep surface designed to fit perfectly on top of your existing mattress.
- Premium latex foams and a velvety soft top layer work together to create a luxuriously soft and buoyant feel for instant comfort.
- Available in all six standard mattress sizes so you can transform your dorm bed, guest bed, or any sleep setup that could use an upgrade.

MATTRESS PROTECTOR

- Made from waterproof materials found in premium outdoor gear, the mattress protector guards against dirt, spills, and normal wear and tear.
- Unique pores are small enough to keep spills out but large enough to let air in, keeping your mattress cool and clean.
- Designed to fit mattresses up to 16" deep.

CASPER FURNITURE

PLATFORM BED

- The Casper Platform Bed provides stylish support for your mattress with a clean, minimalist design.
- Constructed with powder-coated, aircraft-grade aluminum, the Platform Bed is durable and sturdy.
- Roll-out wooden slats snap into place to provide strong support for your mattress — no box spring or foundation needed.
- Thoughtful packaging includes visual cues that streamline easy assembly.
- Available in two colors — white and slate gray — for a simple, modern look that pairs perfectly with the Casper headboard and nightstand.

Casper

HEADBOARD

- The Casper Headboard incorporates a simple, practical design that easily attaches to the Casper Platform Bed for a complete set-up.
- Available in the same white and slate gray colors as the Casper Platform Bed as well as oak.

NIGHTSTAND

- The Casper Nightstand is designed to help keep bedtime clutter-free with a clean look and easy storage.
- Constructed with a sliding, removable shelf with space for a charging cord to reboot your devices while you sleep.
- Fully assembled out-of-the-box so you can spend more time snoozing and less time fiddling with a screwdriver.
- Seamlessly matches the Casper Platform Bed and Headboard, available in the same colors of white and slate gray.

THE ADJUSTABLE

- The Casper Adjustable Bed Frame provides a customized setup for added comfort and support.
- Full-body adjustability and custom preset options like “Zero Gravity” designed to relieve pressure and “Anti-Snore” to help prevent snoring.
- Remote-controlled you can raise your head, feet, or both with the push of a button.
- Complete with USB ports for easy phone charging.

THE ADJUSTABLE PRO

- The Casper Adjustable Pro Bed Frame offers the most personalized, advanced setup for the best night’s sleep possible.
- Remote-controlled, full-body adjustability with countless positions, including custom presets.
- Calming massages lull you to sleep while under-the-bed lights ensure you rest easy.
- Complete with USB ports for easy phone charging.
- Free in-home setup and delivery included.

UPHOLSTERED BED FRAME

- The Casper Upholstered Bed Frame adds warmth to your bedroom while providing sturdy support for any mattress.
- Foam and fabric-wrapped frame with a wooden slatted base and durable steel components.
- Designed with two extra inches around the frame perimeter for an inviting look and cozy, soft feel.
- Easy, one-tool assembly with no box spring needed for a seamless, hassle-free setup.
- Available in Full, Queen, and King sizes with three color options — Natural, Slate Gray, and Midnight Blue.

FOUNDATION

- Casper's foundation ships in a compact box and works like a standard box spring — engineered to provide excellent support under any mattress.
- Constructed from solid wood with a woven upholstered exterior in Casper's signature chambray.
- The easy-to-assemble design does not require tools and can be easily unassembled for moves or fitting around tight corners.

METAL BED FRAME

- Pairs perfectly with Casper's foundation and mattress to create a complete sleep setup.
- Made from 100% recycled steel to provide durable and sturdy support.
- Ships directly to your door and takes less than five minutes to assemble, no tools necessary.

AND FOR OUR FOUR-LEGGED FRIENDS

DOG BED

- The perfect sleep environment designed and engineered around dog behavior.
- Made of supportive, comforting foam with a durable, machine-washable outer cover that sheds fur and withstands bites and scratches.
- Available in grey, blue, and sand — in small, medium, and large sizes.

CONNECTED PRODUCTS

GLOW

- Glow is a bedtime light designed for better sleep.
- While most lights keep us up, Glow's warm, relaxing light gradually dims over 45 minutes and lulls you to sleep. It cues your body for bed to help you establish better bedtime routines.
- The light is accompanied by the Casper Glow app for further customization, but is driven by wonderfully intuitive gestures.

CASPER LABS

Casper Labs is Casper's R&D facility in San Francisco. The lab is dedicated to creating new innovations that defy the status quo. It is also Casper's platform to use real-time user feedback, testing, and research to constantly iterate and improve upon existing Casper products. With 5,000 square feet of workrooms, prototyping machines, testing equipment, and even an experimental bedroom, the labs are home base for more than 45 researchers, scientists, and engineers.
