Eric Lewis
Senior Vice President of Global Operations, Casper

Eric Lewis brings more than 12 years of executive management experience to Casper from leading consumer brands, e-commerce and technology companies. At Casper, he leads Casper's global operations as it expands both its product line and global footprint.

Before joining Casper his previous positions include Head of Regional Operations for Google, General Manager for Amazon and Managing Director - APAC for Shark/Ninja. Previously, Eric spent 9 years with Black and Decker domestically and internationally in various positions including Plant GM, GM of Asia Operations and Director of Operations where he managed the global supply chain including manufacturing, logistics, quality and lean six sigma. Eric earned his M.B.A. from the University of Texas and his B.S. in operations from Gardner Webb University.
